### PRESENTATION AND TECHNICAL SUPPORT INFORMATION

We offer a comprehensive in house audiovisual service, tailored to your specific requirements. We can provide full technical support for your event through qualified and trained staff. We can also supply state of the art lighting, stage sets, sound and projection equipment.

Should you prefer to use an external supplier of your choice, due to the nature of our venue we do require you to comply with our Health & Safety Policy. Each contractor must provide full details of their company, together with a copy of their Health & Safety Policy, full details of the works that will be undertaken with a method statement and risk assessment(s) relating to these works.

Central Hall Westminster requires the presence of one of our technicians to provide technical support, to supervise and advise on Health & Safety and other installation issues that may arise during your set up and event. Our technician will not provide technical support. The cost to the hirer for each period of 10 hours (or part of) is £600.00 for the Great Hall and £320.00 for all other meeting rooms.

Please contact Andy Monroe on 020 7654 3812 or email [centralhall@eclipse-presentations.co.uk](mailto:centralhall@eclipse-presentations.co.uk) if you require a quotation or more information. Please note all quotations will be prepared exclusive of VAT.
